Provincial Library Dec 56

VOL. 54; No. 40

DIDSBURY, ALBERTA, WEDNESDAY, OCTOBER 3, 1955

\$2.50 a Year; 5c a Copy

Edward C. Branch, 43-year-old, who was finally abandoned by his attempts to woo and win singing star Gisele MacKenzie. Gisele's father finally advised Winnipeg police where Branch had pursued her, that the Canadian star was not only elated, but disturbed by his advances.

## Home and School To Present Play

A three-act play portraying some of the problems that must be faced by parents and adolescents in this modern world we live in will be staged during the program hour of the October meeting.

Be on hand to join in the discussion that follows, and remember this is your opportunity to become better acquainted with the teachers and other parents. Here also you may secure some of the help you need in raising your family, through available printed material and information imparted in program and study.

Please note a change of date back to the regular meeting night, Thanksgiving Monday, Oct. 10 at 8 p.m. Coffee and lunch will be served at the nominal charge of 10c. All interested citizens are welcome at Home and School meeting. Please bring a pencil and a cup.

## LOCAL COUPLE HONORED ON ANNIVERSARY

Mr. and Mrs. Roy McArthur were recently honored on the occasion of their 25th wedding anniversary when many friends and neighbors gathered at their home to congratulate them. The evening was spent in song, chatter and laughter. Just before the beautiful lunch was served Mr. Tom Morris presented Mary and Roy with a purse of silver, which they graciously accepted. The bride then blew out the candles on the large decorated bride's cake which had been burning during the presentation. At the close of this pleasant evening friends departed wishing the happy couple another 25 years of wedded life.

## MOUNTAIN VIEW

The shower at Mountain View Hall on Saturday night in honor of Miss Donna Smith and Lyle Shultz was quite well attended and we don't think anyone went home hungry. Square dance? See Coming Events.

Mr. and Mrs. Jens Andersen of Edith were Thursday night over-night visitors with Mr. and Mrs. Arthur Gebers.

Miss Elven Nelson district home came on Thursday dinner guest at Gebers.

Misses Carol and Patsy Coates spent the weekend with their sister, Mrs. Deane Forbes and family.

Congratulations are extended to Mr. and Mrs. Art Coates, it's a boy, Shan Arthur.

Who was the man that said no snow till later in the year?

## DAY LATE ! ! !

It's snowing again, something we could have done without right now but that is not the reason for the slight delay in receiving your Pioneer this week.

The editor and his boss (imagine working for a female) took a few days off last week to attend the annual convention of the Alta. Division of the Canadian Weekly Newspapers Assoc. in Banff.

We cleaned a few pointers which will aid us in giving you what we think will be an improved paper; we were royally entertained by some of the largest corporations in Alberta; we inspected some of the latest printing machinery which is now on the market; we even managed a few holes of golf on the lovely Banff Springs course, the plumb must leave us now. I was the only one who caught a cold from the fresh mountain air.

The above all sounds like an excuse for being a day late, but we would like to be excused if we did miss any local events which may have occurred during our time off and promise better service next week.

## WESTERDALE NEWS

(From Our Own Correspondent)

Mr. A. Jones who has been carpentering in Calgary, spent the past week at his home here, suffering from a cold.

Mr. and Mrs. W. Waisley motored to Calgary last Tuesday where they remained for a few days.

Mrs. W. Herbert was admitted to the Didsbury hospital on Thursday afternoon surgery Friday morning.

We extend best wishes for a speedy recovery.

Mr. Joe White and Mr. and Mrs. W. Waisley spent a few days last weekend sheep hunting in the west country.

## LONE PINE ORIOLES HOLD REGULAR MEETING

The Sept. meeting was held at the home of Annie McCulloch on Sept. 30th with 15 members present.

The meeting opened with a song and the creed. Roll call was to pay dues.

It was decided to hold the mother's meeting in May this year.

It was also decided to have a dance on December 2nd with Bash Orchestra playing.

Mrs. Bittner thanked the girls for her gift. Annie thanked the girls for the gift she received while she was in the hospital.

Annie gave a very interesting report on Citizenship.

The 10c draw was won by Ruby. The 5c draw was won by Heather for seniors and the juniors had a relay.

Heather adjourned the meeting and Beverly seconded. God Save Our Queen was sung.

## Thanks For Everything . . .

The tax collector came to the door of the Jones house.

"Do you have any possessions?" he asked.

"Oh, yes sir," said Jones. "I'm a very rich man."

"That's wonderful." The assessor held his pencil. "Now please name your possessions."

"Yes," said Mr. Jones. "I have a friendly, faithful, kind, loyal wife. Many millionaires can't buy that."

"True enough," said the assessor. "But I can't tax you for her. What else have you?"

"Five lively, friendly, healthy children who love the Lord."

"Yes, yes," said the assessor. "But what else?"

"A wonderful little church, my health, my job, and many friends."

"Well," said the assessor, "you owe no taxes, but you certainly are a rich man."

Do you count your blessings the way Jones did? Some people always complain. God's children should thank God. May we invite you to come to our little church and join us in bringing your thanks to God for the manifold blessings you have enjoyed during this year?

The above was donated by a local minister and we feel it applies to all churches, large or small, whether they be in Didsbury or Chicago. We trust the message is well absorbed by all who read this little reminder.

## "Lifesaver" Success Here; 1000 Evacuees In Didsbury

### SPUDS . . . BUT BIG !

Mr. M. K. Sullivan arrived in our office last week with enough potatoes to last any normal family for a long time. Interesting part of it all is the fact that there were only five of them but they tipped the Toledo at 11½ pounds.

Th top "Murphy" a white variety weighed in at 3 lbs. 3 oz. and is an exceptionally fine looking specimen. They are on display in our office.

## High School News

By High School Correspondent

Nominations for the 1955-56 student's Union closed Monday, Sept. 26 with Lyle Ford and Don McNaughton being nominated for president; Robert Maclellan, Miller McCoy and Rex Stauffer for vice-president; Jim Bain and Hutch Neufeld for athletic committee; and Judy Law for social convener. Judy was put in, by acclamation, so all I can say congratulations and we wish you all the success in the future.

The week passed very quickly, except when we had to give campaign speeches which proved to be quite all right for everyone but the candidates. Before we realized, however, it was Monday, Oct. 3, the day of elections. The election, by the way, was carried on under the Alberta Election Act, the same as the provincial elections with grade nines, under the leadership of Mr. Saint, in full charge. They carried out the usual procedure in an orderly manner and soon after everyone had voted the results were given. They are as follows: Lyle Ford, president; Miller McCoy, vice-president; Jim Bain, athletic convener; and Judy Law as social convener. The room representatives and other committees were voted in at the general meeting of the student body, which took place too late for press time. More news next week.

## JACKSON INSTITUTE HOLDS

SEPTEMBER MEETING

The Sept. meeting of the Jackson W. I. was held at the home of Mrs. A. W. Davies with eleven members and one visitor present. Roll call was answered with each member bringing the oldest picture of herself.

Mrs. S. Low, the United Nations convener gave a very interesting talk on the founding of the UN and some of the history of it.

A supper for the Jackson W. I. members and their families was planned, to be held at the Jackson school on Nov. 18.

Mrs. J. Ray gave a talk on the conservation of natural resources taken from the Federated News Bulletin.

"Operation Lifesaver," the mass evacuation of citizens from the North Hill in Calgary, was carried out on Wednesday, Sept. 28, and from a local point of view the operation was a success. There has been much criticism of the plan from different sources but it's up to the higher echelons to answer these.

It certainly wasn't one of the better days insofar as the weather was concerned but a good portion of those who left Calgary headed for Didsbury. The official count here was 204 cars carrying over 1000 persons.

The reception at the arena was commented on by many of those attending; it was cold in the arena itself but we witnessed the see ones having lots of fun while the parents cooked up hot meals, etc. We did not witness one slump face in the whole crowd.

Stores remained open and the ladies made a point of comparing prices and quality of course they have a tendency to do that whether there is an "H" bomb dropped or not.

For ourselves we met some very fine people, showed them through our plant and among other things had a few good laughs about the whole affair, serious as it was.

Yes, from our point of view it was a success. We can only hope and pray an evacuation of this sort will never be made necessary by an actual attack on Calgary or any other point in Calgary.

## BIRTHS AT DIDSBURY MUNICIPAL HOSPITAL

To Mr. and Mrs. K. Kelly of Didsbury on Sept. 29, a son.

To Mr. and Mrs. Jack Gulline of Didsbury on Sept. 29, a daughter.

To Mr. and Mrs. G. Rigby of Cremona on Sept. 29, a daughter.

To Mr. and Mrs. K. Folkman of Calgary on Sept. 30, a daughter.

Readers and members of this community are cordially invited to make more extensive use of the columns of "The Pioneer" to record events of social interest and importance.

Extending this offer has been a constant event with the publisher, who points out that items are acceptable either by telephone or through personal call at the office of "The Pioneer."

Our bit of fun was conducted by Mrs. R. Hallett who passed out scrambled words to be put in order in a short time.

A delicious lunch was served by the hostess.

## Harmattan News

(From Our Own Correspondent)

The Harmattan Hall Club held their Sept. 24th meeting at the home of Mrs. Crawshaw. Main topic of business was the planning of a bake sale to be held in the Co-Op store in Olds on Saturday, Oct. 22nd. Door prize was won by Mrs. Marshall Armstrong.

Miss Kathie Court and Const. D. Turnbull of Carberry, Man., are at present visiting with Mr. and Mrs. W. Turnbull.

Mr. and Mrs. Turnbull Sr. of Vancouver, B.C. left Saturday after a weeks visit with their sons Bill and Bob Turnbull. We are pleased to see Bob up and around again after a bout of flu.

All best wishes to Mr. J. H. Wiper on his 66th birthday last week.

Mr. S. A. Thompson of Sydney, B.C. has been visiting his daughters Mrs. Joe Carlson, Mrs. Tom Moorehouse and Mrs. Jack Wiper.

Mr. and Mrs. Frank Ingham are at present staying in Calgary where Mr. Ingham is taking treatments after a fall.

Mr. and Mrs. Bill Crawford, near Kewby, Armstrong are receiving congratulations on the birth of a daughter Thursday, Sept. 29th in the Olds hospital.

Mr. and Mrs. George Nicholson, near Thelma Gilmore are receiving congratulations on the birth of a daughter Oct. 1st in the Olds hospital.

Miss Marilyn Knights spent the weekend in Black Diamond with her grandmother. Mrs. Jane Smith and while there also attended her grandmother's 81st birthday party.

The St. George's W. A. held a "cleaning bee" at the Church on Sept. 14th. Instead of their monthly meeting. A picnic tea was held and the church looked very nice for the well-attended Harvest Thanksgiving service which was held on Sunday.

The Church had been decorated by the ladies with flowers, spruce boughs, fruits and vegetables and certainly looked very festive.

Rev. E. R. Doyle officiated. Next service to be held Oct. 16th.

Mrs. Donnie Dodd spent the weekend in Banff where Donnie Dodd is working at present on the road.

## OBITUARY

### MRS. JOSIAH HALLMAN

Mrs. Josiah Hallman, 85, of 151 Lincolnton St., East, Kitchener, Ont., died on Tuesday, Sept. 27 at the K-W Hospital in Kitchener after an illness of three months.

She was the former Magdalene Break, born at Breslau, April 21, 1870, daughter of the late Mr. and Mrs. Gideon Break. On December 9, 1903, she was married in Didsbury. She was predeceased by a sister, Mrs. Emma Baker and a brother, Jacob.

The body was held at the Katsch-Betelcher Funeral Home and then removed to the Bethany Church for the service which was held at 2:30 p.m. Rev. H. S. Hallman officiated. Burial took place in the Woodland Cemetery.

Also surviving are one son, Maynard of Richmond Hill, Ont., four brothers, Elton and Jerry of Kitchener, Noah of Woodlake, Calif., and Wesley of Tampa, Fla., and a grandson. She was predeceased by a sister, Mrs. Emma Baker and a brother, Jacob.

The body was held at the Katsch-Betelcher Funeral Home and then removed to the Bethany Church for the service which was held at 2:30 p.m. Rev. H. S. Hallman officiated. Burial took place in the Woodland Cemetery.

## DON'T HAVE A SINGLE TRACK MIND ON A DOUBLE TRACK RAILROAD!

Science is stalking the thunderstorms that fill summer skies with jagged light and rolling sound. Still only half understood, these black booming deluges of sultry afternoon are among nature's most fascinating phenomena, the National Geographic Society says. They generate electricity and spread fertilizer. They hurt ice balls and stab fire. For ten years United States air, navy and weather scientists have studied such storms — often from inside out. This summer the United Nation's World Meteorological Organization is completing a map showing where earth's thunderstorms — 44,000 a day — crash down on every continent but Antarctica. Chimney in the Sky

An average thunderstorm releases 50 times the energy of the first atomic bomb. Yet it begins as a column of gently rising air, warm, moist, walled by a chimney of cooler air, topped by a cottony cumulus cloud.

This thunderstorm "cell" of rising warmth, if conditions are just right, gains power as it lifts. Air expands and cools; it begins wringing out its load of water vapor. Droplets form and grow heavier. The cloud boils higher and darker. A "cumulus gone wild" becomes a thunderhead.

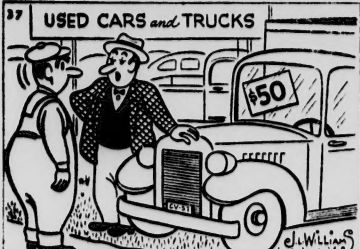

Ice crystals caps the cloud, but in its middle water drops grow heavy enough to overcome the updraft and fall. They drag cool air with them, the cold gust that blows out from the skirts of the storm. Rain pours down — 110,000 tons of it across eight square miles in the average storm. But only one in nine potential raindrops actually reaches ground.

Most evaporate. Others may be flung up the chimney to freeze before falling again. Repeated trips up and down can build hail-stones as big as softball.

Lightning

Vertical currents inside the thunderstorms are often strong enough to rip an airplane apart, tossing it thousands of feet in a minute. The greatest violence occurs 15,000 to 25,000 feet in the air. Massive charges of electricity form inside the thundercloud. Air insulates, but only until the tension grows too high. Then an invisible trail opens from the cloud to cloud or to the earth, and back up that trail a gigantic jolt of power flows. Air blazes into fiery lightning and sends out sharp sound waves—thunder. Lightning combines nitrogen and

## Who Pays For ADVERTISING

?

NOT the newspaper reader, because he saves both time and money by shopping the wide selection of honest values offered through the advertising columns.

NOT the advertiser, because advertising always returns a profit when it is used correctly and consistently!

NOT the publisher, because of the hundreds of firms who profitably invest hundreds of thousands of dollars in newspaper advertising!

## Every Line Of Advertising In The Paper Is Paid For By The Fellow Who Doesn't Advertise !

The business which the non-advertiser loses pays the costs of advertising and ALSO returns a nice profit to the fellow who does advertise! HOPING for more business is not as effective as inviting more business!

WHERE CAN YOU GET CHEAPER AND BETTER ADVERTISING VALUE THAN IN THE DIDSBURY PIONEER, WHICH REACHES 90% OF THE HOMES IN THE DISTRICT AT A COST OF LESS THAN ½ CENT PER READER FOR AN ADVERTISEMENT THE SIZE OF THE ONE YOU ARE READING.

The roar of an aircraft engine  
during ground test can rattle  
windows and nerves for blocks  
around. So we're glad to report  
that aluminum has turned up  
as a noise-absorbing "honey-  
comb" in an aircraft company's  
test-cell. Hundreds of aluminum  
tubes of differing diameters and  
lengths, filled with absorbent,  
sound-killing material, make  
up the end walls. And we are  
told that by the time the giant  
roar has bounced around in  
these aluminum mazes it comes  
out the other end thoroughly  
"buffed" and weakened to a  
hum. We expect there are lots  
of aluminum boosters around  
that factory!

BOARD**  
NOTES  
By  
W. K. SNYDER  
Agricultural  
Service Board

**BANGS VACCINATION:** The Fall drive for bangs vaccination of all heifer calves between the ages of 4 to 10 months is about to get underway. By this time everyone who has been taking part in this program is well acquainted with its purpose and the mechanics of carrying out the actual vaccinations. However, at the beginning of this year quite a lot of new territory was taken in with the Municipal District of Mountain View: mostly in the west and a small portion on our north boundary. This fall all of this new area will be included with our compulsory bangs vaccination drive. I believe that the majority of the cattle men even in this new area are in favor of vaccinations. I have been told that an estimated 80% of the calves in the Sundre — Bearberry area have been vaccinated on a voluntary basis in the past year or two. I am at present busily engaged with the job of organizing all the new territory and appointing local township captains to help carry out the fall drive in the most efficient manner. Dr. Anderson and his assistant Dr. MacNeil will be doing the actual vaccinations as in the past. They have a large territory to cover and are anxious to get started at the very earliest possible date. If any of you captains can organize your local area now or within the next few weeks, set in touch with Dr. Anderson and he will be glad to give you a day for your area.

## CHRISTIAN SCIENCE

How spiritual understanding of divine law brings freedom from discord of every kind will be explained at Christian Science Services Sunday. Kennington the Lesson-Sermon "Are Sin, Disease, and Death Real?" is the Golden Text from Romans 8:2: "The law of the Spirit of life in Christ Jesus hath made me free from the law of sin and death."

The importance of coping with sin is emphasized in selections to be read from "Science and Health with Key to the Scriptures" by Mary Baker Eddy including the following: 315, 16: "The likeness of God we lose sight of through sin, which beclouds the spiritual sense of Truth; and we realize this likeness only when we subdue sin and prove man's heritage, the liberty of the sons of God." Reading from the Old and New Testaments of the Bible will include Christ Jesus' parable of the prodigal son (Luke 15).

## TOO RISKY

A farm prairie dream — wide-scale crop insurance — has suffered a chilling setback on the provincial level.

But western farm groups favoring the controversial principle (and that includes almost all) now will concentrate their hopes on interprovincial co-operation and/or federal action.

That's the meaning of the rejection of province-wide crop insurance by a royal commission appointed by the Manitoba Government.

The blunt opinion that crop insurance is beyond Manitoba's resources, even though rejected by most farm spokesmen, will greatly influence the Alberta and Saskatchewan governments. It's known all prairie governments were waiting Manitoba's royal commission report with keen interest.

The report, presented to Agricultural Minister R. D. Robertson, says, in short, that an all-risk plan of insurance can't be financed by Manitoba.

## Stampeder Talk

By Ray Guay

**CALGARY** — They say that Exhibition games don't mean anything, that the participants never exert themselves. This could very well be a general rule, but the two games last week between New York Rangers and Calgary Stampedeers would have to rank as exceptions. The results, you may remember, were a 2-1 victory for Rangers in Calgary and a 2-2 draw in Red Deer. The main reason for classing these games as exceptions to the rule would have to be that competition for berths on these two clubs has been extremely keen.

Take Frank Currie's Stampedeers. The Cowboys had something like 26 players in camp. The Western Hockey League rules this year state that a club's line-up will be composed of 13 players and goalie. Three of these players must be rookies, fellows who have had no experience in professional hockey ranks.

The only one missing from last season's Stampeder crew is Pat Lucey who has taken up a good position with the exhibition association in Regina. Right there one sees that Currie will have to release some pros. In addition, he has re-acquired Bashing Bill Shvetz from Montreal, a fellow who is assured of a spot on the club not only because of his ability but also because of his robust style of play. Bill is a fellow who is respected by one and all in the league.

Then you have these other pros: Gus Kyle, Pat Coburn, Fred Hucul, Sidney Hucul, Ray Barry, Steve Wilk, Fred Saskatchewan George Farster, Jim McFadden, Sid Pinney, Archie Scott, Doc Couture, Walt Trentini, John Michaluk and possibly Art Michaluk. Art is on the Calgary Police Force and his status is still to be cleared. For rookies, Currie has to choose between Bud Syverson, Bob Arnett, Barry Ross, Dave Duke, Mike Gilday, Milan Marcetta and Gerry Kernaghan.

The headaches are there for all to see. Another thing, Doug Stevenson and Hal Gordon have been knocking themselves silly between the pipes. They haven't let rumors that one of Chicago's big three — Al Rollins, Hank Baasen and Ray Fredrick — will eventually head this way, upset their play. They've been tremendous.

Here lies a young salesman named Phripps.

Who married on one of his trips.

A widow named Block

Then died of shock.

When he saw there were six little chips.

CAN YOU AFFORD  
MEDICAL BILLS?  
LET M.S.I.  
PAY THEM FOR YOU!

Group Plan B is now available for employees of a common employer, with a staff of 3 to 9 persons. This pre-paid medical plan offers freedom from worry and freedom from financial difficulty. The small subscription per month gives you the Key to Better Health and Better Living. Check a few of the features of this Plan, and send in the coupon below to M.S.I. for the FREE folders giving all particulars.

## WHAT IS M.S.I.?

Medical Services (Alberta) Incorporated is a non-profit corporation. It is sponsored by the Medical Profession of Alberta for the purpose of providing pre-paid Medical care to the people of Alberta. As M.S.I. is non-profit there is no capital stock on which dividends are paid, nor are there commissions paid to agents or salesmen. It is independently controlled by an elected Board of Directors, and is the only non-profit organization of its kind in Alberta having the endorsement of the Medical Profession.

## MINIMUM ENROLLMENT REQUIREMENTS

Employees of a common employer with a minimum staff of three persons and a maximum staff of nine persons all employed full time. 100% of employees must enroll.

## HOW DOES THE PLAN WORK?

The Plan will issue an Identification Card which must be presented to your Doctor when requesting service. The Doctor will send his account direct to M.S.I. for payment. NO RED TAPE... NO FORMS TO COMPLETE.

## To Wait... May Be "Too Late"

## MAIL THIS COUPON TODAY!

Without obligation, please send me further details of Group Plan B.

Mr. J. J. O'Brien of Edmonton visited the Meyer family Sunday and Mrs. O'Brien and daughters accompanied him home Sunday evening.

### OBITUARY

JOHN WIENS

Funeral services for John Wiens, 26 who was killed in a hunting accident Friday night near Hartmann were held Monday at 2 p.m. at the United Missionary Church, Didsbury, with Rev. W. Kroening officiating. Burial took place in the Didsbury Cemetery.

He is survived by his parents Mr. and Mrs. George Wiens, Hartmann; one brother George, Hartmann; and two sisters, Lena of Calgary and Annie of Olds.

### Walther League Holds Conference

The second annual conference of officers of the individual societies of the Walther League in the Alberta-British Columbia district was held on Sunday, Oct. 2 at Redeemer Lutheran Church, Prof. W. Wangerin, president of Concordia College, Edmonton, served as guest speaker in the morning service. He directed the attention of the young people to the Biblical story of Esther, and showed that they also could take to heart the words "Who knoweth whether thou art come to the kingdom for such a time as this." Well over 100 Leaguers from all parts of Alberta were in attendance.

Following dinner the District President, Allen Effert, Edmonton, gave a brief outline of the program. Erhard Reinhardt, Didsbury, the Christian Growth chairman, spoke on "Serving God and our League" and showed how all the activities of the League flow from Christ and must be done to the glory of Christ. The president then called upon the various officers of the district board to briefly outline their duties and activities. After a recess, at which pictures were taken of each group special sessions were held for each officer. The balance of the afternoon was devoted to an open discussion forum at which various problems of the League and societies were treated.

After supper, Rev. E. B. Fox spoke on "Youth and its place in Synod." He emphasized that the young people should not wait till some future time to assume their rightful place in the work of the Church, but should do so now. He also stressed the fact that youth should be given an opportunity to utilize its energies, talents and abilities in this work now — not at some nebulous future. Following this, a further period was devoted to open discussion of problems.

Rev. W. A. Rumsch, Edmonton, closed the session with a brief devotion encouraging the Leaguers to continue in their work, knowing that the Lord is with them always.

A bride is one who can persuade her husband to do something without half crying.

### Midway News

(From Our Own Correspondent)

Mr. and Mrs. Howard Pross and Randy were last Sunday evening callers at the home of Mr. and Mrs. Al Marsh and family. Lola visited with Alma Swanson the same evening.

Mrs. Persinger is visiting with her son and daughter-in-law. Mr. and Mrs. Bill Persinger.

About forty friends and neighbors of Mr. and Mrs. Alex Stewart gathered at Midway School on Friday evening as a farewell for them.

Games were played and a short program followed. Mr. and Mrs. Stewart were presented with a lace table cloth along with best wishes in their future home. Friday was also Mr. and Mrs. Stewart's 40th wedding anniversary.

The Harvest Thanksgiving service of the Anglican church will be held at Midway School on Oct. 9. Rev. Doyle officiating.

The United Church will hold their Harvest Thanksgiving service at Midway school on Oct. 9 at 11 a.m. Rev. McGee officiating.

Mr. and Mrs. Ray Good and family visited at the Gordon Hoskin home this Sunday evening.

We are glad to report that Harry Johnson is home from the hospital. Bancroft W. I. will hold their next meeting at the home of Mrs. E. Ohlhausen on Oct. 12.

### EVEN ANIMALS LIVING LONGER

Man's animals, like man himself, show a decided tendency today to live longer and grow larger.

Dogs, for one, enjoy greater life expectancy. A dog's life two decades ago averaged out at seven or eight years. Now, though, there are no vital statistics on pets, authorities say the average dog lived 11 to 13 years, thanks to better foods and veterinary care.

Scientific breeding and feeding show even more striking results on the farm. The National Geographic Society says. Beef cattle are beefier, milk cows milkier. Young pigs and chickens grow faster. The engine barnyard stays healthier, boosting longevity.

Bigger Baitall Nags  
In only a few cases, and then only very gradually, does a breed as a whole seem to be getting bigger. Thoroughbred horses 200 years ago averaged 14 hands high (a hand's breadth is 4 inches). Today that same height would officially class the horse as a pony; standard race horse height is 15½ hands, a growth of 6 inches.

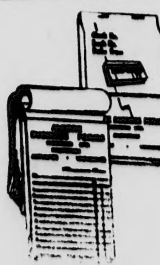

Whether dogs as a canine family are growing gradually larger, is doubtful. But the ancient wolflike wild dogs that fathered man's first domesticated animal were quite close in size to today's dogs.

Horses are a different story. Eolipus, the Dawn Horse, grew some 45,000,000 years ago scarcely larger than a big toment. Its early descendants, stood about the size of a fox terrier.

Even the last "prehistoric" horse the not-quite-extinct wild Praevalski's horse of Asia's steppes, is only 3 feet high — pony size.

It is possible to breed horses — or cattle, hogs, or dogs for that matter — downward in size until dwarf animals appear. This is done sometimes for showshows, sometimes for serious breeding purposes. Small-sized turkeys for small families are increasingly popular, as are hackney ponies for horse shows.

On the other hand Shetland ponies, shaggy midgets because of long centuries on sparse, cold, island pastures north of Scotland, tend to grow larger generation by generation when transported to greener fields.

## Little Items of Local Interest

Mrs. Jenkins spent last week in Edmonton visiting her two sons and their families.

Mr. and Mrs. Lynch-Staunton, Mr. and Mrs. Ed Klinek and Mr. and Mrs. Alex Easton were invited guests to a Buffalo luncheon in the drill hall, of Calgary Civil Defence Headquarters, on Wednesday evening, the day of the evacuation exercise.

Thanksgiving services will be observed at Redeemer Lutheran Church on Sunday, Oct. 9 with services beginning at 11:00 a.m.

Beauty Counsellor Information, Mrs. Eunice Gole, phone 298. 2tp

Mr. and Mrs. Dave Edwards of Brampton, Ont., former residents of this district, visited recently with friends in and around Didsbury. While here they were dinner guests of Mr. and Mrs. T. Morris.

Mr. Ed Rouleau, former editor of The Pioneer, suffered a heart attack on Friday and was removed to hospital. His many friends here wish him a speedy recovery.

Mr. Carl Morris, who has given up his position with the Royal Bank at Hinton, returned home Sunday and plans to attend the 2-in-1 course at the club school of Agriculture.

Mr. and Mrs. George Thring left Sunday for Coronation to attend the funeral of the former's father, Mr. J. W. Thring, who died suddenly at his home from a heart attack.

Mr. and Mrs. C. L. Kumlun and family of Jumping Pound were weekend guests of Mr. and Mrs. Alf Allen and family.

Miss Helen Brown of Calgary was a weekend visitor at the home of Mr. and Mrs. L. Devine.

Mr. Alf Stader left last Saturday for a two week vacation with his daughter and son-in-law, Mr. and Mrs. H. S. Beveridge of Holden.

At a recent meeting of Town Council it was decided that a survey should be made of the south part of town to determine the cost of sewer and water lines in that area.

Mrs. L. Roach has returned home following a two-week visit in the northern city.

Old-timers are requested to pick up their 50th Jubilee scrolls at the Town Office.

## EAST NOTES

(From Our Own Correspondent)

Mr. and Mrs. Peter Neufeld and Phillip were recent visitors at Mr. and Mrs. Otto Butter's.

Mr. and Mrs. Peter Schumaker called on Mr. and Mrs. Alfie Thompson Thursday evening.

Mr. and Mrs. Alfie Thompson motored to Calgary on Thursday. Harold Housie returned to Calgary with them. Harold wasn't very well when he left here, hope you will soon feel better again.

Get well wishes are extended to Mrs. Ralph Long.

The rumor was going around that Heather Marsh had broke her back, well we are glad to say that she had a vertebrae out in the back of her neck, she is going back to school again.

The following people were dinner and supper guests and afternoon callers on Sunday on Mr. and Mrs. Peter Schumaker, Mr. and Mrs. Ivan Chedikian, Mrs. Schumaker, Mr. and Mrs. Conrad Wagner, Norman Neufeld and Mr. and Mrs. Stanley Schumaker.

Sidney Young and Norman Neufeld and Edie Neufeld were Sunday callers on Mr. and Mrs. Peter Neufeld.

Judy Marsen spent the weekend with Beverly Thompson.

Best and get well wishes are extended to Linda Shiels who is home from school, with a bad cold.

Don't forget the W.I. will hold their meeting at Mrs. Jim Wilson next Wednesday. Ladies don't forget the wash cloths and recipes for the cook book.

Gaston and Alfonsie became embroiled in a furious argument over a lady. Gaston struck Alfonsie in the face with a glove — Alfonsie struck back. Obviously, a duel was in order. It was agreed that pistols at dawn would settle the matter.

At dawn of the fateful day Gaston was ready with pistol in hand, his second and physician by his side. The minutes dropped by, and still no Alfonsie.

Suddenly a messenger arrived with a note: "Dear Gaston," it read, "If I am late, don't wait for me. Go ahead and shoot."

## GOLF NOTES

Weather permitting, ladies day will be held Thursday. The tournament will be the Calaway handicapped system. Also pitch and putt contests and tea will be at 4 p.m.

## Coming Events

## SHOWER HELD AT MOUNTAIN VIEW HALL

On Saturday evening Mrs. Charles Kohut, Mrs. Dwayne Fobes and Mrs. Lawrence Hunter were hostesses in the Mountain View Hall for a shower for Miss Donna Smith of Lundbreck, and Lyle Shultz whose marriage is to take place on October 10th. Mrs. Arthur Gebers was a splendid chairman for the occasion. Items on the programme included Mr. and Mrs. George Hamm who gave a musical number with the guitar, Marlene Sautter a Scotch dance, Mrs. Raymond Fulkert a piano solo, Arno Neufeldt sang and played.

After the programme little Judy Fobes and Louis Shultz, as little bride and groom, entered pulling a little wagon with a balloon tree and under the tree a basket of gifts.

The bride had to break each balloon and as she did so she learned something about her future husband. The last balloon was filled with confetti which really surprised Donna.

Mrs. John Bruce assisted Donna and Lyle in writing down the many gifts in the bride's book. This book also had the signature of all present.

After the many gifts were opened and passed around, a delicious lunch was served.

Mrs. Wm. Shultz was responsible for all the lunch, a special thanks is extended to her for all the lovely things served.

## ANOTHER BUILDING BOOM

Schools are not the only kind of buildings we are going to need a lot more of in the coming years. Homes for the aged are in the same category says the Financial Post. All across the country special projects of this nature are under way and it will be a long time before we can hope to catch up with demand.

Virtually all this special building is being done by municipal or other public authorities. Whether or not private capital is interested, the field seems large enough for both. Not only is the number of people over 65 in our population increasing substantially, but thanks to old age and other pensions they have money to give them a degree of independence. The recent trend in housing, too, is another factor. In the old days of big houses it was no trouble to provide an extra room or even a floor for the old folk. Today the average family in a five or six room bungalow has no extra room at all.

## FILLER . . . BUT GOOD?

There was a time when a fool and his money were soon parted. Now it happens to everybody.

It's not the ice that makes you slip; it's what you mix with it.

"My friends think it's queer that I'm so fond of pancakes," she told the psychiatrist, "so they sent me to you."

"Why that's not odd at all," replied the doctor. "I'm quite fond of them myself."

Brightening she said, "Oh you are well, you must come over some day. I've not five trunks full."

You can always spot a well-informed man. His views are the same as yours.

IT'S SQUARE DANCE TIME AGAIN Saturday, Oct. 8th at 8:30 sharp the Lone Pine Club is having a square dance. New members are needed, beginners are welcome. This square dancer is \$1.00 per couple. It is a good time to try it. You might wish to join. Square dancing is fun.

## TODAY'S CHUCKLE

There's so much good in the worst of us, and so much bad in the best of us, it's hard to tell which of us ought to reform the rest of us.

The afternoon group Knox United Church W. A. will meet at the Manse, Thursday Oct. 6 at 2:45 p.m.

The October meeting of Rugby's W. A. will meet at the home of Mrs. Bernard Elton on the third Tuesday 18th. All members are asked to be present at this special meeting. We all hope for fair weather should it be a very stormy day the meeting will be postponed until 28th.
